Thanks. If I don't have a conflict I'd like to listen in just to know what is going on (and secretly because epi is my first love and if I had time I'd like to do this kinda stuff)

No. It's an ORD – OPP meeting on glyphosate. I'll send invite.

You mentioned this on the call today -- is this with Tom?

For some reason your message on the right call in number went to my "Clutter" box, but I was able to join.

I find this whole thing interesting -- the culture clash between OPP and ORD.
